

# 2008 RECYCLING CALENDAR

## IMPORTANT INFORMATION FOR ALL RESIDENTS

Refuse is collected every **Tuesday** throughout the Borough; recycling collection is every other week. For recycling the Borough is split into two areas. The **Tuesdays** in **regular typeface and within a circle** are **Area One** recycling days. Notice that every other **Tuesday** on the recycling calendars is in **bold typeface and within a screened box**; these dates are **Area Two** recycling days. Please see the reverse side of this page for a list of the streets for both recycling areas.

If a major holiday falls on **Monday** or **Tuesday**, refuse and recycling collections are delayed one day. These delayed recycling collections are indicated with an orange box with white numbers.

In **2007**, the **December 25th** garbage and recycling collections will be delayed one day because of the holiday.

In **2008**, the **January 1st**, **May 27th** and **September 2nd** garbage and recycling collections will be delayed one day because of the holidays.

### GARBAGE REGULATIONS

The placement of garbage, rubbish and recycling containers at curbside may be **no earlier than 3:00 p.m.** on the day prior to the designated collection day and must be removed from curbside to the storage area **no later than 8:00 p.m.** on the day of collection.
