

IMPORTANT INFORMATION **SERVICE DAY CHANGE**

Allied Waste Services (AWS) is honored that we have been selected again for the Borough of Whitehall's trash hauling and disposal needs and we are committed to providing you with the highest level of service you deserve. **Our number one priority is "Complete Customer Satisfaction".**

If you have any questions regarding the New Trash & Recycling Collection Schedule, Single Stream Recycling, and/or any Service Issues please contact our customer service department Monday through Friday from 8:00 AM to 5:00 PM at the toll free number below.

1-877-788-9400

IMPORTANT INFORMATION FOR GARBAGE COLLECTION SERVICES

Effective January 5, 2009, AWS will conduct service operations on a multi-day a week schedule. Please refer to the **street listing enclosed** to identify your new pick-up day. Place your **trash & recycling** out by the curb for collection the night before your designated collection day.

GARBAGE SERVICE - AWS will provide curbside collection of household waste generated on a weekly basis and includes normal household waste, yard waste, and bulky waste. Bulky waste includes furniture, white goods, bundled carpet/padding (cut in 4-ft sections), and other similar waste material other than construction debris, dead animals, hazardous waste, or domestic animal waste. Please place your rubbish in standard 32-gallon trash containers or heavy plastic bags securely tied. Bags and/or cans may not exceed 50 lbs.

SERVICE RESTRICTIONS - Due to State and local regulations, the following materials are prohibited from collection: automotive batteries, construction & demolition debris, tires, liquid paint (will accept dried out paint or paint absorbed with kitty litter), medical waste including needles and syringes (will accept diabetes syringes placed in a protective container), chemicals, liquids, and hazardous waste such as asbestos, gasoline, or oil. Appliances with refrigerants (Freon) may only be collected if a sticker is placed on the appliance, by a certified technician, certifying the refrigerants have been removed. Brush, branches or tree limbs may not exceed 4 inches in diameter and must be bundled not to exceed 4 feet in length.

SPECIAL COLLECTION – For disposal of construction, demolition, or remodeling material as well as any excess trash resulting from a major event such as the resident moving or a major disaster (e.g. fire, flood, sewer backup) please contact AWS in advance for any special instructions, any stipulated fees, and/or to schedule the removal of this material.

SINGLE STREAM RECYCLING SERVICE - AWS will provide bi-weekly single stream recycling collection on the same day as your trash collection day. Please see the attached recycling schedule as well as the requirements for Single Stream Recycling.

HOLIDAY SCHEDULE - There is no trash collection on the following six holidays: New Year's Day, Memorial Day, Fourth of July, Labor Day, Thanksgiving Day, and Christmas Day. Pick up will be delayed one day if the above official holiday is on a Monday through Friday. If the actual date falls on a Saturday or Sunday (e.g. July 4, 2009 falls on a Saturday) there is no change in service day for that week. The Holiday Schedule is outlined on the attached recycling schedule.

SINGLE STREAM RECYCLING

**One Container.
No Sorting.....No Kidding!**

The easiest way to recycle is here in the Pittsburgh and surrounding areas - from Allied Waste!

Place all your recyclable materials in one container with no separating or sorting needed. We'll do it for you! Just a few simple guidelines outlined below to avoid any service interruptions:

- Place all your recyclable material in your RECYCLE container(s) furnished by the municipality without separating or sorting! The containers need to be clearly marked as recyclable materials.
- Large volumes of glass and newspaper can increase the weight of your recycling container(s). Please assure the weight of one container doesn't exceed 50-pounds.
- All cardboard must be broken down flat and shall be no more than 3-feet in length or width. Since most recycling containers don't have lids we recommend bundling or using paper bags for cardboard and paper to eliminate litter on windy days.

YES! Recycle all of these items in your Single Sort Recycle Container

- Glass bottles and jars
- Metal beverage and food cans
- Plastic bottles with narrow necks (Types 1 through 7)
- Paper from news, magazines, junk mail, dry non-coated food paper
- Boxboard, small flat pieces of corrugated cardboard box material
- All cardboard must be broken down so that it is flat and no more than 3-feet in length or width.

NO! These items can't be recycled. Put them in your trash container

- Garbage, food waste, diapers, paper plates, hangers, old plastic toys
- Meat or dairy plastic or paper packaging
- Wax or plastic wrap or bags
- Freezer food packaging
- Plastic deli, product or take-out packaging or utensils
- Plastic bags or wrapping film
- Formed or pellet styrofoam packaging
- Window glass, ceramics or dishware, mirrors, light bulbs

2010 RECYCLING CALENDAR

Refuse is collected on a five-day a week schedule according to the A to Z street listing shown on page 16 of this bulletin.

2009 – refuse collections will be **delayed one day for Thanksgiving on November 26 and for Christmas on December 25, 2009.**

2010 – refuse collections will be **delayed for New Years Day on January 1, the entire weeks of May 31 and September 6 and for Thanksgiving Day, November 25.**

RECYCLING COLLECTION SCHEDULE

The weeks shaded in green on the 2009 and 2010 calendars are the recycling collection weeks.

2009 – recycling collections are on the regular schedule for the remainder of 2009.

2010 – recycling collections will be **delayed one day on January 1 for New Years Day and the entire weeks of May 31 and September 6, 2010.**

Single Stream Recycling has been implemented in the Borough. Recyclable items include – cleaned glass jars/bottles, aluminum and tin cans, plastics (1 through 7), magazines, catalogs, telephone books, junk mail, envelopes, all color office paper, paper grocery bags, chipboard food boxes, newspapers and insert and cardboard boxes. Cardboard boxes must be flattened and cut in three foot sections. All of the above items can be mixed together in a recycling bin for curbside collection. Additional recycling bins are available if needed, free of charge, at the Borough's Administration office during regular business hours.
