Mr. Veith introduced Allegheny County Council Member John Palmiere. Mr. Palmiere stated his position on the creation of a Civilian Police Review Board for Allegheny County. He voted to approve a hearing to discuss the idea, not to approve it. Mr. Palmiere thinks that District 6 has good Police Departments and doesn’t need it. He represents the constituents of District 6 and 95% of them are against the creation of a Civilian Police Review Board for Allegheny County.

MAYOR:

Mayor Nowalk reported on the following items:

- The Borough reported 5.40 percent of the calls to animal control services in April.

- Mayor Nowalk stated that the Chief reports that last week all Department members successfully completed their Spring firearms qualifications. Officers shot both Department issued handguns and AR-15s.

- Mayor Nowalk stated that the Chief reports that the Department’s “Weight Loss Challenge” has ended. This was a voluntary effort by members to shed those Winter pounds. Participants weighed-in on February 4th and weighted-out on May 6th. A total of 120 pounds were lost at an average of 9.25 pounds per person.
Mayor Nowalk stated that today, May 15th, is National Peace Officers Memorial Day. Peace Officers Memorial Day and Police Week is an observance in the United States that pays tribute to the local, state, and federal Peace Officers who have died, or who have been disabled in the line of duty. Today, members of the Department were treated to pizza and cake that was donated by resident Steve McGreevy in honor of the Department. Mayor Nowalk requested that this evening’s Council meeting be adjourned in honor of Peace Officers who have lost their lives in the line of duty.

Mayor Nowalk stated that he provided Council members with a copy of the letter he sent to Don Baumgarten of Castle Shannon for his service to MRTSA.

Mayor Nowalk stated that he and Tim Hindes were featured presenters at the Jefferson Foundation’s event on resiliency. 275 people attended. A lot of good feedback was received.

Mayor Nowalk stated that he saw an article in the Pittsburgh Legal Journal about tours of Duquesne Light’s Operation Center. It seems fascinating. Mr. Firman stated that he has toured the venue in the past and it is very interesting. Tours will be on May 22nd from 3-5 PM.

Mayor Nowalk stated that he is considering staying overnight at the PSAB Conference to receive his award. He asked Council for authorization to book a hotel room that evening.

Ms. Book moved, seconded by Mr. McKown to authorize Mayor Nowalk to book a hotel room at the PSAB Conference to receive his award. The motion carried unanimously.

SOLICITOR:

Mr. Firman provided an update on his research into the regulation of electronic dog fences. He did not find a lot of communities that have regulations. The Planning and Zoning Committee will work on this issue.

ENGINEER:

Mr. Rusmisel reported on the following items; members of Council received written copies of the Engineer’s report:

- Dovernell Drive Watershed Project – Restoration and punch list work continued. Disturbed areas were over seeded, and additional shrubbery was planted.
- Operations & Maintenance – Bids for the 2019 Excavation, Spot Lining, and MH to MH projects will be opened on May 30, 2019.

- Echo Glen Storm Sewer Improvements – Roto Rooter started storm sewer construction on May 9th.

Mr. Rusmisel provided an update on the landslide on McRoberts Road. The slide was reviewed. The road sits on bedrock and there is no threat to the roadway. Gateway is preparing plans to repair the exposed bedrock under the road in order to protect it. Gateway is not preparing plans to fix the landslide as it is on private property.

Mr. Rusmisel provided an update on the pool room/pump house. A structural engineer met with the Building Inspector to review the conditions. contractor. The underdrain is clogged and not functioning properly. Mr. Leventry stated that their neighbors are not draining any water towards the Rusnak's property.

**MANAGER:**

Mr. Leventry reported on the following items; members of Council received written copies of the Manager's report:

- **MRTSA Roof Bids** – Bids to replace the roof at the MRTSA building were opened on May 2nd. Four bids were received. The apparent low bidder withdrew their bid due to a mathematical error. That left the low bid of $126,600 by Triangle Roofing. Triangle doesn't believe that they'll be able to start the project until early September. The amount budgeted for the project is $80,000, so it will definitely be over budget, but it is the only option if Council wants the job done this year. There will be more damage if the project is delayed. The price won't necessarily change next year, just the amount Council budgets.

**M-6** Mr. McKown moved, seconded by Mr. Lahr to award the MRTSA Roof bid to Triangle Roofing in the amount of $126,600. The motion carried unanimously.

- **Swimming Pool Agreement** – The officials of Baldwin Township have returned the signed swimming pool agreement. Council will need to authorize the execution of the document by the proper Borough officials.

**M-7** Mr. McKown moved, seconded by Ms. Book to authorize the execution of the agreement by the proper Borough officials. The motion carried unanimously.

- **Wage/Salary Ordinance Amendment** – Mr. Leventry asked that Council adopt an amendment to the 2019 Wage and Salary Ordinance to add the position of Water Aerobics Instructor at a rate of $27.00 per hour. This had been done as a Recreation Board program.

Mrs. DePuy inquired where the fee for water aerobics would be deposited. Mr. Leventry stated that the Recreation Board no longer has a separate checking account and everything will be run through the Borough to ensure accountability and oversight.

**M-8** Mr. McKown moved, seconded by Mr. Lahr to read the Ordinance. The motion carried unanimously.

**M-9** After the reading of the Ordinance, Mr. McKown moved for adoption. Mr. Lahr seconded the motion. On a roll call vote Ms. Book, Mrs. DePuy, Mr. Lahr, Mr.
McKown and Mr. Veith voted yes. The motion carried unanimously. The Ordinance No. is 1120.
